THE VICTORY CENTER

Reaching out to cancer patients & their families.

THE VICTORY CENTER AND OUR IMPACT

“The doctors saved my mother’s life. The Victory Center saved her spirit. Thank you!” - Michelle

Our mission is to provide hope and support to cancer patients, survivors, and those closest to them. Since 1996, The Victory Center continues to be the premier independent, privately-funded nonprofit serving cancer patients and their families in the northwest Ohio and southeast Michigan region.

In 2017 we provided more than 10,500 units of services, all free of charge.

We believe in the healing power of integrative medical services to complement treatments prescribed by oncology teams. These include oncology massage, therapeutic facials, reiki, healing touch, reflexology, and counseling. We also have a wide array of group programs to support the mind and body during the difficult cancer journey. These programs include: aromatherapy, yoga, knitting, art therapy, dance, nutrition, exercise, book club and many more. TVC proudly provides support groups, a resource library, as well as a wig bank.

THE DIFFERENCE YOU MAKE

- 100% of contributions stay local.
- \$500 provides 30 oncology massages.
- \$1,000 provides a full year of monthly support groups.
 - \$2,500 provides over 100 reiki sessions.
- \$5,000 provides a full year of weekly yoga classes.
- \$7,500 provides 150 aquatic exercise classes.
- \$10,000 provides 2 years of art therapy programs.

The Toledo Edison Building, Toledo

Over the Edge for Victory is a thrilling event in which individuals commit to raising a minimum of \$1,000 in exchange for the incredible opportunity to rappel 225 feet down the Toledo Edison Building. Edgers receive on site training for their descent by professionally trained staff on one of two ropes. **TVC holds an exclusive right to license this type of fundraiser in a four county area.** Over the Edge for Victory attracts a lot of media attention with live news coverage on VIP/Media day, and radio stations broadcasting live throughout the Main Event Day with local media and community leaders rappelling. Edgers' progress is announced to the crowd while supporters and curious downtowners gather to watch. Dear Taxpayer:

This is in response to your Nov. 09, 2010, request for information regarding your tax-exempt status.

Our records indicate that you were recognized as exempt under section 501(c)(3) of the Internal Revenue Code in a determination letter issued in September 1994.

Our records also indicate that you are not a private foundation within the meaning of section 509(a) of the Code because you are described in section(s) 509(a)(1) and 170(b)(1)(A)(vi).

Donors may deduct contributions to you as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to you or for your use are deductible for Federal estate and gift tax purposes if they meet the applicable provisions of sections 2055, 2106, and 2522 of the Code.

Please refer to our website www.irs.gov/eo for information regarding filing requirements. Specifically, section 6033(j) of the Code provides that failure to file an annual information return for three consecutive years results in revocation of tax-exempt status as of the filing due date of the third return for organizations required to file. We will publish a list of organizations whose tax-exempt status was revoked under section 6033(j) of the Code on our website beginning in early 2011.

If you have any questions, please call us at the telephone number shown in the heading of this letter.

Sincerely yours,

Cindy Thomas
